

## Building Department

### The Village of Stevensville has a BRAND NEW Building Department!

Visit [www.villageofstevensville.us](http://www.villageofstevensville.us) for permit applications and fees.

**Building & Rental Inspector—Jim Hahn 269-930-3201**

**Electrical Inspector—Ron Ketelhut 269-468-5341**

**Plumbing Inspector—John Maier 269-519-8820**

**Mechanical Inspector—Ron Wilder 269-208-9067**

Rental property inspection letters are being processed and will be mailed to the property owners soon. Please call Jim Hahn at 269.930.3201 once you receive your letter to schedule your inspection.

#### Sec. 6-103. - Renewal

At least 30 days prior to the expiration of a certificate of compliance, the village shall notify the registered owner to re-register the *rental* unit and to arrange for a compliance inspection. The property owner shall be responsible for re-registering a *rental* unit and arranging a compliance inspection prior to the expiration date on the certificate. When a certificate of compliance is reissued in accordance with this article, it shall have a two-year expiration date with the same month and day as shown on the previous certificate, regardless of the date that the new certificate is actually issued.

The Village of Stevensville is a grant recipient of a road safety grant this year. As a result of this, we will be replacing the traffic signal and adding a left turn lane at the intersection of Red Arrow and John Beers Road.

Construction will begin on May 1, 2017 and be completed September 1, 2017. Please drive carefully through this area and be mindful of those working on improving the safety of the Village of Stevensville's roadways. If you have any questions regarding the project, please do not hesitate to contact the Village office.

### **Important Contact Information**
